Re: Gilmer Substation
Klickitat PUD

Ladies and Gentlemen:

This firm is counsel for Aztech Electric, Inc., which supplied certain labor, material and equipment to the Klickitat PUD in respect to the Gilmer Substation. Copies of the Notice of Claim and Claim of Lien are enclosed for your information.

If the BPA is not the fee simple owner of the Gilmer Substation, please advise by return mail. If the Substation has been leased to the Klickitat PUD, please advise, and furnish a copy of the lease agreement. Does the BPA hold any security or bond in respect to work performed at the Gilmer Substation by either the Klickitat PUD or its contractors/developers? If so, I would appreciate receiving copies of same, and I will be willing to pay for the copying charges. To that end, please accept this letter as a request for information under the Freedom of Information Act.

Very truly yours,

LYNDEN O. RASMUSSEN
